

REMARKS

Applicants have carefully reviewed the Office Action dated September 2, 2010 (hereinafter “the Office Action”) and the Advisory Action dated November 17, 2010 (hereinafter “the Advisory Action.”). Claims 1-29 and 31-34 are pending in this application. Claims 19-29 and 31-34 stand allowed. In the Office Action, claims 1-18 were rejected; however, in the Advisory Action, the Examiner indicated that the arguments presented in the Response dated November 2, 2010 overcame the rejections of claims 8 and 13.

In the Claim Listing presented above, Applicants have amended claims 8 and 13 to rewrite those claims in independent form. Applicants have also canceled claims 1-7, 9-12, and 14-18 without prejudice or disclaimer of the subject matter contained therein, and Applicants reserve the right to pursue the subject matter of those claims in one or more continuing patent applications. Applicants believe those amendments place this application in condition for allowance and respectfully request action to that end.

Applicants further respectfully ask the Office to consider this paper a Petition for an Extension of Time sufficient to effect a timely response and ask that shortages in other fees be charged or any overpayment in fees be credited to the Account of Barnes & Thornburg, Deposit Account No. 10-0435 with reference to file 204560-73806.

Respectfully submitted,
BARNES & THORNBURG LLP
